

TERMS AND CONDITIONS

Organic Market Report 2024

1.0 Product

The Soil Association Certification Organic Market Report 2024 is a digital report taking a detailed look at sales trends across all organic sectors, categories and channels in 2023 and the major reasons for growth.

It can be downloaded or purchased as a digital report only at <https://canada-organic.myshopify.com/collections>

2.0 Cost, refund and replacement

2.1 Cost

The Organic Market Report 2024 is free for COTA members*(conditions apply) with a valid membership or \$1400 + HST for non-members.

*COTA members with annual dues over \$2540 paid annually receive all market reports free of charge. For COTA members with annual dues below \$2540, you may add on the \$600 data package to receive data insights annually between January 15 of this year to January 15th of the following year. All data packages are subject to annual renewal and members must be in good standing to qualify.

2.2 Refunds

Once an Organic Market Report 2024 has been purchased; a refund will not apply.

3.0 Delivery

The Organic Market Report can be downloaded/purchased as a digital report only. Once the transaction is complete, the user will be redirected to a page with a link to read the report online or download a PDF version.

A HST receipt will be emailed to the email address used to download/purchase the report, which will also include a link to the digital report.

4.0 Currency

All fees and charges will be processed in Canadian dollars, with HST applied at the applicable rate.

5.0 Reproduction

The reader of the Organic Market Report 2024 agrees not to copy, reproduce, extract or transmit in any form the whole, or part of, the data, materials or information contained in it. Unless otherwise agreed in writing in advance with the Canada Organic Trade Association, this report may not be sold, passed on, communicated or disseminated in any form including within its original cover.
